OVERHEAD BRIDGES.

Bridges to be Built by Day Labor. Important Questions Settled

Connell, Graves, McCahn, Moomaw,

the needs of the city. No report was made on the streets and sewerage

vertising in a newspaper published in the city, but at the general assembly of 1886 the law had been amended so that the construction of public buildings shall be performed by day labor under the supervision and direction of the city engineer, or such other person as may be designated by the council and said engineer or other person designated shall be governed person designated shall be governed by the State Board. Department, council may deem necessary and consistent with the prevailing laws governed by such rules and regulations, as the council may deem necessary and consistent with the prevailing laws government.

sistent with the prevailing laws governing labor on public works, but if the council deem it not to be to the best interests of the city to have the work done by day labor, then it may be let to contract to the lowest reponsible bidder, after thirty days notice by advertisement printed not least a few times in one or more less than four times in one or more newspapers is given. "I am, there-fore, of the opinions," said Mr. Watts.

of said work for the city."

A resolution was offered ordering that the construction of the overhead bridges over Park, Henry and Randolph streets be performed by day labor, and that Charles S. Churchill, engineer of maintenance of way of their histor

engineer of maintenance of way of the Norfolk and Western Railroad Company, be designated to take charge of and superintend said work.

Mr. Churchill was empowered to employ any number of men as may be necessary to complete the work, and pay a rate of wages usually given for

The finance committee was instructed to pay for said work, and to eport at next meeting of council. The finance committee reported that they had conferred with City Solicitor Watts in regard to the mat ter of requiring police officers to at-tend on the magistrates' court, and

The committe reported favorably on the petition of J. H. Kennerly in regard to a street sprinkler, but adversely on the petition of Duerson and others in regard to improvements on Church street, as the finances of the city would not justify the improve ments at this time. The report was

The bonds of the city treasurer. (\$50,000) and that of the commissioner of the revenue, (\$13,000) were submitted, and the securities offered ac-

cepted.

The finance committee also made a special report, calling attention to the recent act of the legislature in regard to the taxable values of the city. They asked that the matter be submitted to the city solicitor for a thorough investigation, he to report at least of the committee to the city solicitor for a thorough investigation, he to report at least of the case of the George Baumschmidt Brewing Company vs. Coleman & Dulany, verdict was rendered for plaintiff for \$270.99.

Same vs. same, appeal from Justice Howarton indement for plaintiff for The - Cash - Grocer,

report was adopted.

The petition of the street railroad grades and report at next meeting.

The fire and water committee made

a report in regard to the extension of the fire limits. The matter was taken up by wards and the report was amended, establishing a fire limit as ollows: For Third ward-Commencing at

Shenandoah avenue and Jefferson street, north, on Jefferson to Fourth avenue, west to Henry, north to Fifth avenue, east to Holliday, north to Rutherford, east to Kimball avenue, north to Page to the Lynchburg turnpike, thence to Senandoah Valley railroad to Jefferson street.

For Second Ward-Commencing on

THIS IS A GOOD ONE.

How the Firemen Enjoy Themselve When There Is Little Doing.

A TIMES reporter was loafing at the engine house the other day, and with a view to making himself agreeable to a number of fire laddies who were sitting lazily around a table, he con cluded to tell a little yarn. So he went right ahead and told them what ne had seen a fire company do in Bal-Lots of Distinguished People Here.

Two Bright Young Lawyers—Maj: r

sounded there one night," he said, "and, by George, so thoroughly are those men and horses drilled and trained that they were out and four

blocks away in just seven-eights of a second after the gong first sounded. By United Press. Edward Cowles was down here the Its a fact, gentlemen, that—"
"Pshaw," interrupted Chief Knepp, and a mechanical engineer by pro-fession. Coming from the West, as who was smoking a two cent cigar, and fanning himself leisurely, "that's of Texas, a member of the committee Campbell street telling us that a lamp

according to most Western standards. Joubting expression which came over the some cities I know out my way the countenance of his listener. Talking about trained horses re-State wouldn't hold them. They'd be crying out, Boom! Boom! Well, I'll put them against any other? Well, I'll put them against any other two trained horses I ever heard of they heard that lamp explode on the bill to abolish metal money.

went out to look at them that morning. He found two old women sitting in a vacant lot waiting for the owner of the houses to appear. Of the houses themselves not even the foundations were laid. The land was there and that was all.

"But that was nothing unusual in San Diego during the 'boom.' Busi-San Diego dur utes afterwards and waked us up, al

corner of the room, and it was fully five minutes after he had ceased talking that all of them burst into roars Baltimore and Ohio stock from the of laughter. After they had regained their normal solemnity, the chief said to the reporter: "Young man, if you want to make firemen believe any ern Pacific to reach New York. such lies as that one you sprung about Baltimore, you must leave Roanoke to do it."

THE AMERICAN HOG. He May Carry Food From the Table After Eating His Fill.

The majority of the supreme cour

of Pennsylvania decided a very curi-ous case last week which cannot fai-to interest all hotel and restaurant keepers, as well as the traveling publie at large. After a full argument of the case on both sides before the bench the court held that "at the died vesterday.

posed to eat at the time.

This decision of the highest court grew out of a curious case where a traveler, not having a good appetite for breakfast, gathered up nearly all of the porter-house steak and other substantials before him which he did not consume, and wrapping them in a Hon. Rufus A. Ayres, at one time attorney general of Virginia, and Senator Herbert G. Peters, of Martins petite grew better. The hotel man hence the trouble.

While the court has probably de cided the law and justice side of the case property, it must be confessed that the bad manners of the affair were inexcusable and can find no were inexcusable and can find no sanction in any code of propriety or gentlemanly conduct. When a traveller takes his meal at a hotel or restaurant, with or without a good appetite, it is perfectly legitimate and in accord with strictly good manners, for him to ask the waiter to wrap a small snack for his journey, and he may "tip" for it or not as he and he may 'tip" for it or not as he pleases—generally a "tip." But for a man to gobble up the whole of his leavings at a meal, bundle them into a napkin or newspaper, and souse them into his satchel for fu-ture consumption, is superlatively on the glutton and hoggish order of bad manners.—Advance.

FINCASTLE FACTS.

A Bright, Gossipy Letter From Our Regular Correspondent. Correspondence of the TIMES.

FINCASTLE, VA., Jue 11, 1890. This section of the county is on a solid boom, based upon the marble developments. Two flourishing companies have been formed and are developing their quarries. They have beautiful qualities of black, brown and variegated marble. They also have the lithograph stone, which has been tested by actual use by a lithographer in Baltimore, and pronounced equal to the best.

A meeting of the stockholders of the dummy line to this place will be held here next Thnrsday. The beautiful property near this place recently purchased by Mr. Patterson, of Roanoke, has proven to be very valuable, as it contains some of
